Sir,

Revision of the scale of pay of Sweepers and Scavengers of the Gundlupet Town Municipality

In forwarding herewith, a proposal received from the President, Town Municipal Council, Gundlupet with his letter No Gen 1 of 46-47 dated 30-11-1946 on the above subject, I have the honour to state that some of the Sweepers and Scavengers of the Municipality presented a petition dated 27-9-1946 to the President stating that they have been serving the Municipality for a period ranging from 4 to 10 years with a pay of Rs 8/- and that at a time like the present when the cost of the food stuffs has gone abnormally high it is difficult for them to maintain themselves on this paltry amount which is not even sufficient for 15 days in a month and urging that their pay may be raised to Rs 15/-

The Council took up the question at their meeting held on 30-11-1946 and have resolved in view of all the difficulties expressed, to revise the pay of male sweepers to Rs 15/- each and that of female sweepers to 12/- uniformly with effect from 1st January 1947 (Copy of the resolution is enclosed)

The President urged that the revised scale may be recommended to Government to be given effect to from 1-1-1947 and has pointed out that the extra cost, will be met out of the closing Balance

P T O,

A proposition statement in duplicate is enclosed It will be seen from the statement that there are in all 13 sweepers and scavengers with scales of pay varying from 8 to 10 and the total cost as per existing scale is 164/- per month as at the revised scale, it would amount to s-273/- resulting in the extra cost of Rs 108/- per month or 1296/- which the Municipality is capable of paying.

I request in the circumstances, that Government may kindly be moved to sanction the resolution of the Council with effect from 1-1-1947
